Letter dated 28th October 1927, from the Principal, Central College, Bangalore, to the Registrar, Mysore Univefsity.

With reference to your Memo No.5755 dated 30-9-27 and its enclosre, I have the honour to submit the following observations :-

I am very strongly of opinion that the selection of teachers in the University should be made on considerations of efficiency and I deprecate discrimination between candidates for appointments based on any other considerations.

In the present instance the single candidate whose application has been forwarded by the Recruitment Board is a Second class B.Sc. and does not therefore possess the qualification laid down in the "A statement" sent by this Office.

While First class B.Sc.graduates are available I do not recommend the appointment of a person with inferior qualifications.

I have received an application, which I enclose, for this post from Mr.K.N.Seshagiriah, a first class B.Sc. of this College. His candidature is strongly supported by the Professor of Botany under whom he has been engaged in post-graduate research work.

I consider Mr.Seshagiriah to be by far the better qualified of the two candidates whose applications I have seen and I accordingly recommend his appointment.

Correspondence ending with letter No. 18907 dated 29/30th May 1928, from the Registrar, Mysore University, on the question of recruitment to the tutorial staff of the Mysore University.

ORDER No. 1411-12 E R.B 6-28-1

Dated Bangalore 9-8-28

In connection with the filling up of the vacancy of a post of Demonstrator in the Central College, Bangalore, the following resolutions passed by the University Council at a meeting held on 29th October 1927 and the same was communicated to the Central Recruitment Board. X X X X

"Further RESOLVED that the Council are strongly of opinion that no teaching appointment in the University should be reserved as a special vacancy for any community or communities and that, in the highest interests of the communities themselves a teaching appointment in the University should not be given to a man of inferior qualifications on communal grounds. The Council further observe that non-reservation for particular communities has happily been the uniform procedure adopted hitherto in the University and that any departure from this sound principle would be disastrous to the efficiency as well as the good name of the University."

The Central Recruitment Board, while apparently agreeing with the University Council as regards the ~~desirability~~ importance of securing the best men for tutorial posts in the University,

8/6/28

have pointed out that in filling up such posts, the desirability of securing adequate representation of members of Backward Communities should be kept in view. They also suggest that vacancies in the tutorial staff should be advertised through the Central Recruitment Board, that selection should be confined to candidates whose applications are forwarded by the Board and that in making the selection, preference should be given to persons belonging to Backward Communities if their qualifications are equal to those of other candidates.

After careful consideration of the subject, Government are pleased to issue the following instructions with regard to appointments in the tutorial staff of the University:-

(1) from next sheet

(2) All vacancies ~~in grades~~ of and above ~~that~~ the grade of an Assistant Professor will, as heretofore, be advertised by the University and recommendations for appointments will be sent direct to Government.

(2) Vacancies in grades below that of an Assistant Professor will be advertised through the Central Recruitment Board but ~~no distinction~~ there will be no special reservation ~~made between General and Special~~ of any vacancies for members of backward communities. All applications received by the Board will be forwarded to the University, who will select the candidate best qualified for the post, but where a Brahmin candidate

viz. in the posts of lecturers, tutors, demonstrators, readers, & teachers

make selection in accordance with the instructions in clause (1) above

and a candidate of any of the Backward communities are ~~about~~ equally qualified, the latter should invariably be preferred. After an appointment is made, with the approval of Government where necessary, the same should be communicated for information to the ---- Central Recruitment Board in Form "B".

(1) (3) In the case of all ~~teaching~~ tutorial appointments, the University should keep in ~~view~~ the ~~desirability~~ of securing adequate representation of members of Backward Communities on its tutorial staff, as far as may be, with due regard to efficiency.

The above instructions relate only to tutorial appointments. Ministerial appointments in the University will continue to be governed by the ordinary rules of recruitment in force for the time being.
